- Students should use their official Beal High School email address when communicating with their teachers (it's [xxxxxx@bealhighschool.co.uk](mailto:xxxxxx@bealhighschool.co.uk) where xxxxxx = their network log in number)
- In the subject line, students should always indicate the specific teacher to whom the query is addressed (if appropriate) eg "FAO Mr XYZ re y11 revision worksheet"
- Students should always identify themselves in the email with their name – if they know how, they could add an automatic signature in Outlook settings.
- Students should not expect immediate responses, and should only email during normal weekday working hours (08:20 – 15:20)
