Wednesday 15th April 2020

Dear Parent/Carer,

We hope you and your families are safe and well.

Following the Easter holidays from Monday 20th April, we will remain open as a community childcare provider for vulnerable students or students whose parents are key workers.

Our provision for vulnerable students or students whose parents are key workers

- During this exceptional period of closure we are not operating as schools, but as a community childcare provider for those children whose parents are key workers and do not have anyone at home to look after their child.
- The school will be open from 8.30am to 3.10pm.
- Students will work from the 6th form Study Centre on their online Moodle resources and must sign in every morning at the upper site reception.
- It is hoped that we will be able to accommodate all requests for a place at school as long as we are able to adequately staff to a level that ensures safety for all.

In order to ensure we can deploy and use staff effectively from Monday, please can you email the school on admin@bealhighschool.co.uk by **Friday 17th April 12pm** to let us know if you will want your child to continue coming to school from Monday 20th April 2020. When contacting us please let us know the following:

- Your name, relationship to student
- Student name and form group
- Key worker job role (if applicable)
- Please use an email subject title of Key Worker/Vulnerable student.
